COVID-19 Testing here

LAX www.FlyLAX.com/TravelSafely

SERVICES

LAX now provides access to on-site testing for COVID-19 via nasal-swab Polymerase Chain Reaction (PCR) tests. Results are sent electronically within 3-5 hours if conducted at the lab across from Terminal 6, or within 24 hours if conducted at the Terminal 2 or Tom Bradley International Terminal locations.

COST AND APPOINTMENTS

Standard rapid PCR test: $125

Rapid PCR tests at the Terminal 6 location are available by appointment with limited walk-up availability.

Appointments are also recommended for the Terminal 2 and Tom Bradley locations, with results available in less than 24 hours.
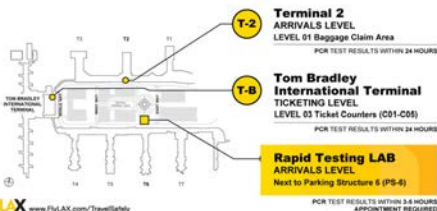

Scan this code with your smartphone to schedule an appointment online.
